District Picnic

Welcome to our new Lions Year for 2022 – 2023. I am so excited to be your District Governor for this Lions year! Together we will try new service projects, energize our clubs with new members, work with other clubs to achieve our goals! Now is the time to continue building your club in every way possible so that it may be an example to other clubs, and a credit to the community, the district and Lions International. We will work together to become more educated as Leaders to give our members the tools to be successful in our service. We will "Come Together" to give of ourselves to the best of our ability. We can and will make a difference as we serve our communities.

I want to express the importance of engaging our members, each of our members play a special role in our clubs and our districts success. Reach out to each and every member and let them know how important they are and how they're service is important to the success of the club and the district. Invite members to join you at Zone meetings and conventions. Go visit other clubs to meet other lions and see how other clubs tick. Come to an Orientation or Training event. Get involved in one of our districts projects. This is the year to "Come Together" and make a difference.

When making your plans for my club visit, please make it available for all members of your club as possible so I can meet everyone I can.

Let's make it a Great Year to be a Lion!

Great job, IPDG Jamie. Job well done. Good luck in your future Lion adventures. Welcome to Scott as the new District Governor. Scott, Denise and myself look forward to puttimg together an exciting year. I think we will all have lots of fun. One of the things we all have to do, is to add new members to our Clubs Membership is very important, as the more you have, the more great ideas come forward. This takes the pressure off our Club Leaders and makes it a lot easier for Club members to step up and take leadership roles. This has always been a major problem.

Diane and myself are sort of getting settled into our new home on Big Pine Lake in Perham. Finding the right light switch has been the biggest challenge so far. My new address is: 46300 Marin Bay Loop, Perham, MN. 56573. My phone is 218-346-2314 and my cell is 320-492-4910.

Always remember that nothing happens until you Just Ask.

District Historian PDG Judy Brasgalla

1926-1927

In 1926-27, the province of Saskatchewan, Canada, was added to the territory of the 5th District and a Lions Club organized at Swift Current, though not in time to be chartered before the 1927 District convention. Four new clubs were organized in North Dakota, making 10 in that state, one in South Dakota, giving it a total of 6, and 1 in Minnesota, making 18 in that state. In his year of stewardship, District Governor, William E. Bek of Grand Forks, North Dakota, spent more than one month of his time and traveled 7,500 miles visiting the clubs of the District.

At that District Convention, the principal question concerned the division of the District into two independent jurisdictions. District Governor Bek recommended that Minnesota, with its 18 clubs, remain the 5th District and that North and South Dakota, Manitoba, Saskatchewan, and Alberta constitute the 39th District, with 18 Lions Clubs. At a meeting on the Board of Directors of Lions International, held at Mason City some time previous to the Fargo District Convention, a resolution had been adopted making the separation. But the great mass of club members in the District had not known of this action, and the delegates to the convention thought that the membership should have been consulted, though the constitution places the Districts and their boundaries in the hands of the Board. The delegates ignored the division, elected William M. Oates as District Governor for the entire 5th District, and chose Brainerd, Minnesota, for the 1928 convention.

2nd Vice District Governor Denise Laudenbach

Changing-of-the-Guard

In England, the changing of the guard is a formal ceremony in which a group of soldiers is relieved of their duties by a batch of new soldiers. In essence, this "change" means that in any situation in which an individual or group charged with a task or responsibilities in an organization is replaced by another individual or group.

For us as Lions, it is time for our Changing-of-the-Guard. Our Clubs, our District, our Multiple, our Constitutional Area, and our International Organization, have had wonderful leaders this past year. Everyone was focused on helping carry out our Past International President, Douglas Alexander's message of: Service from the Heart.

As we begin to transition into 5M9 Lions' new year, it is a time for excitement and enthusiasm for what's ahead, and it is also a perfect time to reflect on the wonderful accomplishments of our District, Club, and most importantly, our Club Members of this past year. This is the time of year to recognize our members for their service and commitment to our community. Set a date and time for your club to celebrate together!

Future planning and goals should reflect the learnings of the past. Our past is what makes us who we are today. The thousands of service hours that each of us have given of our time and talent, teaches us what went well and what we should do differently in the future. We need to embrace our learnings. Share our success with one another and hold the hands of those who have skinned their knees to help one another create successful service events for our communities for this upcoming year.

Get involved. **Be The One** to help with the successful transition of your Club's "Changing-of-the-Guard." Ask your new President and Board members, what is needed to help execute the goals and objectives that have been set for the year.

Sign up to help your Club make a positive impact in your community.

Sign up to work a service event.

Sign up to be on a committee.

Sign up to be a mentor to new members of your club.

Sign up to attend a college of leadership course.

With the Changing-of-the-Guard, our new International President, Brian Sheehan has shared his message to the world of Lions: Together We Can. Let us embrace his message and together, make our new year fun, exciting and meaningful for our communities within 5M9.
